After breakfast, we will cruise to Kos Island, where you can take a quick swim in Lambi Beach very close to Kos Harbour. We'll spend the evening in Kos, which has a lively night life, colourful, and full of life.

### Day 3: Nisyros – Symi

Early in the morning we will cruise to the lush, green volcanic island of

Nisyros. If you're feeling active, you can take an optional bus tour up to the huge Stefanos Crater or, if you're feeling lazy, enjoy a drink of Soumada by the sea. We will anchor at Symi Port late in the afternoon. Symi Town's colourful, Italian-era mansions are nestled on the slopes around the natural harbour and the island has many azure coves.

### Day 4: Rhodes

In the morning we head to the UNESCO World Heritage island of Rhodes. The history here dates back to 5th century BC. Numerous civilisations, including the St John's Knights, Italians and Ottomans, have left their mark throughout its 2500 year history so that a visit to Rhodes feels like going to an open-air museum.

A fascinating stop.

### Day 5: Datça – Kargı

Back into Turkish waters to the village of Datça, well-known for its clean air and good walks. We'll anchor in beautiful Kargı Bay for the evening.

### Day 6: Inceburun – Palamutbuku – Knidos

We will sail to Inceburun for breakfast and a morning dip in the clear waters. After that we will cruise to Palamutbükü for lunch and a swimming break.

We will cruise to Knidos for dinner and an overnight stay. The ancient city of Knidos was advanced in science, art and architecture and once home to the legendary sculpture, Aphrodite of Knidos. You can take a walk on the shore to see the ruins.

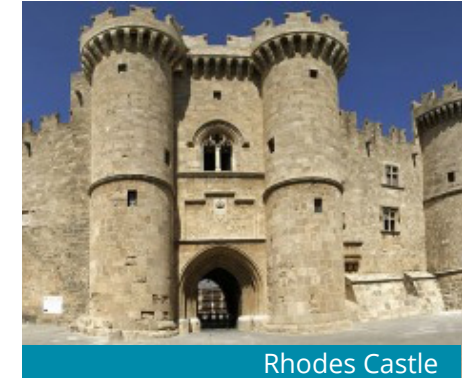

### Day 7: Karaada – Poyraz Bay – Bodrum

Enjoy the final day of your boat holiday, swimming in clear waters surrounded by nature. The tranquil and beautiful coves of Karaada are the perfect end to a perfect week. We will dock in Bodrum Harbor for dinner and an overnight stay.

### Day 8: Bodrum

The guests will leave the boat with precious memories by 10:30 after breakfast.
